

INT. LIVING ROOM - NIGHT

JULIET reclines on a sofa with a glass of wine.
ROMEO comes in.

JULIET
Where've you been?

ROMEO
I keep cruising. Can't stop. Won't stop moving. Baby, is something wrong? Cause I'm only up when you're knocked down.

JULIET
Babe, I miss you, and I swear I'm gonna change. Trust me. Remember how that last a day?

ROMEO
Look. We're young and we're reckless.

JULIET
I knew you were trouble when you walked in.

ROMEO
I still love you.

Phone RINGS.

JULIET
Oh my God! Who is she? I get drunk on jealousy!

ROMEO
She wears short skirts.

JULIET
I wear T-shirts.

ROMEO
She wears hi-heels!

JULIET
And I wear sneakers. You know, I've heard she's been out and about with some other girl.

ROMEO
What you heard is true, but I can't stop thinking about you.

JULIET

Just think, while you've been getting down and out about the liars and the dirty, dirty cheaters of the world, you could've been getting down to this sick beat!

ROMEO

But you tell me that you want me and then you cut me down.

JULIET

How can the devil pull me someone who looks so much like an angel when he smiles at me?

ROMEO

Darling, I'm a nightmare dressed like a daydream.

Juliette slaps Romeo.

JULIET

Shake it off!

ROMEO

Shake it off?

JULIET

Shake-

ROMEO

Shake-

JULIET

Shake!

ROMEO

I'm gonna shake it off!

JULIET

This is it, I've had enough. We've got problems. I don't think we can solve them...Cause baby, now I've got bad blood.

ROMEO

Hey! You know we used to be hot in love.

JULIET

Well now I got bad blood!

ROMEO

Well? So, now it's gonna go down in flames?

JULIET
Never mind, I'll find someone like you.

ROMEO
I think that's Adele -

JULIET
Oh, it is - it is, yeah.

ROMEO
It's a good song, though.

JULIET
It's a good song!

ROMEO
Can't you see? I'm the one who understands you! Why can't you see that you belong with me?

JULIET
In your wildest dreams.

ROMEO
Wait. Marry me, Juliette. You'll never have to be alone. I love you, and that's all I really know. I talked to your dad. Go, pick out a white dress. It's a love story, baby. Just say yes.

JULIET
We are never, ever, ever, getting back together!
